

Big Sur Fiddle Camp Application

Print second page and send with your deposit.

Students will be accepted by class level, in order of applications received. Priority will be given to returning campers, with consideration for instrument diversity.

New students: Please include an additional page of writing about yourself and a recording of at least two contrasting tunes. This can be solo and/or with other musicians.

Any recording quality will do. If you need advice, feel free to email camp for Suggestions. Recordings may be included with application form or emailed as mp3s to Bigsurfiddlecamp@gmail.com

If you email mp3s, please title the email subject "Your Name, Big Sur Fiddle Camp 2010 mp3s" and make sure they arrive to the inbox by the time your deposit makes it to our mailbox!

Classes:

New students: You will be placed in a class, and will stay with that class for the week. Classes are small and interactive, and placing students helps us provide the best learning experience for everyone. Please be sure this is ok before you sign up. Both classes are wonderfully fun & engaging, with plenty to learn.

Returning students: The same classes will be offered, with a similar student body. Please choose your class, keeping in mind that wherever you were last year is a good option. You must stay with this class for the week.

All students:

If your preferred class is full, we may be able to offer space in the alternate class. If this is above your level, please be considerate and understand that teachers will be moving at a challenging pace, and you will be listening to/recording material to learn later.

If it is below your level, plan to focus on learning material fully, groove, chords, harmony, and being at the head of the class and able to help instructors demonstrate ideas. Harder is not always better for learning, especially if you want to retain the music you learned at camp.

Tuition: (Guardians & students)

Deposit to hold a space: \$150

Tuition: \$650 if full balance postmarked by March 1st, \$680 after March 1st.

Because of the small size of this camp, refunds can be given only in cases of genuine medical emergency, so please make sure you are coming when you sign up. Your check will be destroyed if camp is full. Camp needs volunteers, so consider work/trade if you need a tuition discount, or stay nearby with your family at one of the wonderful B&B's or campgrounds. You will still be welcome for evening concerts & socializing.
